## **ENERGAGE NAMES DKW COMMUNICATIONS A WINNER OF THE 2024 TOP WORKPLACES USA AWARD**

Washington, Washington DC January 02, 2024 - Today DKW Communications has announced it has earned the 2024 Top Workplaces USA award, issued by [Energage](#), a purpose-driven organization that develops solutions to build and brand Top Workplaces. The Top Workplaces award has a 15-year history of surveying more than 20 million employees and recognizing the top organizations across 60 markets for regional Top Workplaces awards.

Top Workplaces USA celebrates organizations with 150 or more employees that have built great cultures. Over 42,000 organizations were invited to participate in the Top Workplaces USA survey. Winners of the Top Workplaces USA list are chosen based solely on [employee feedback](#) gathered through an employee engagement survey, issued by Energage.

Results are calculated by comparing the survey's research-based statements, including 15 Culture Drivers that are proven to predict high performance against industry benchmarks.

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."
